THE WORLD OF INTERIORS

1. THE DOUGLAS WATSON STUDIO. These delft designs, shown in crimson, can also be painted in traditional cobalt blue or manganese on their handmade tiles. All tiles, panels and installations for kitchens, bathrooms and fireplaces are made to each client's specifications. A design service is available for fully bespoke work. Call 01491 629960 or visit www.douglaswatsonstudio.uk for more information.

2. AVALANA creates truly stunning designs for the home and gift, that each tell a unique story. The prints and patterns draw inspiration from travels, folklore and nature. Individual designs start life as a sketch or painting that is carefully curated using digital methods. Visit www.avalanadesign.co.uk and follow on Instagram @avalana.design for more information.

3. CIEL SHOP offer stylish furniture to transform your home like this beautiful hand woven chevron design bar stool in black. These bar stools with their tropical inspired textured seat are a great way to bring a touch of summer warmth into a room. Available online from £284 at www.cielshopinteriors.com

4. HEATHER ASHTON DESIGN's outdoor collection embodies the spirit of Californian Modernism. Each piece is created using stainless steel, powder coated frames and specialised outdoor foam cushions. The design is minimal and lightweight, however the construction is durable to withstand the elements. All pieces are made to order and entirely customisable. Visit heatherashtondesign.com for further information.

5. At POSTERLOUNGE, a carefully curated portfolio of fine art wall pictures gives you the chance of finding the one that will round out your home décor – like the picture “Vintage Mode Ski Mad!”. Browse the full collection on www.posterlounge.co.uk and contact support@posterlounge.co.uk or 0800 086928.

6. AUDIOART. Extraordinary and unique contemporary art masterpieces. Their passion is creating amazing sound through art. Each piece is commissioned by you for complete personalisation. Audio art transcends music the way haute couture transcends fashion. They work with private clients and professional organisations. Visit audioarthifi.co.uk or call 020 8977 9996 for a personal consultation appointment.

7. PUNKITUP take pride in their unique, beautiful home accessories, with each piece made by hand from recycled natural materials. Their vibrant, retro collections are inspired by their time in Bali, where traditional techniques were used to develop homewares. Visit www.punkituprecycledfurniture.com and follow @punkitup_recycled_furniture on Instagram to view the full collection.

8. THE SOHO LIGHTING COMPANY brings you a range of timeless switches and sockets. Beautifully designed and meticulously engineered, these hand-finished luxury lighting accessories come in a variety of finishes. Featured, from the ‘Charterhouse collection’, a single gang toggle switch in Antique Brass. Visit www.soholighting.com to see more of their range or contact info@soholighting.com for trade enquiries.

9. VICI BLACKBURN's tactile ceramic work glows with colour. It is influenced by the weather-worn surfaces of the Manx coast, then wrapped in papier-mâché skins. The skins are inspired by her childhood memory of Christmas decorations stored in newspaper folds. Texture is created from many sources including her own lino-cut designs. These repeatedly worked surfaces of porcelain are sanded, hand painted with underglaze and gold luster. Visit www.viciblackburn.com or email viciblackburncreates@gmail.com for more details.

10. LIGNE ROSET. Distinguishes itself by its tradition of close collaboration with both established and emerging designers. Since 1860, this French family business matches its belief in design with technical innovation to present the consumer with highly innovative and contemporary furniture and home accessories. Call 020 7323 1248, visit www.ligne-roset-westend.co.uk or email trade@ligne-roset-westend.co.uk to find out more.
